Inductive Reasoning
Free Sample Test 1
Questions Booklet

Difficulty Rating: Difficult

Instructions

This inductive reasoning test comprises 22 questions. You will have 25 minutes in which to correctly answer as many as you can.

In each question you will be presented with a logical sequence of five figures. You will need to determine which of the possible answers best matches the next figure in the sequence, or replaces a missing figure in the sequence.

You will have to work quickly and accurately to perform well in this test. It is recommended to keep working until the time limit is up.

Try to find a time and place where you will not be interrupted during the test. When you are ready, turn over the page.
